

# Get ready for Open Enrollment with this application checklist:

Enrollment assisters are available to help you apply for and understand your health insurance coverage. This checklist will help your prepare to enroll in coverage for 2017.

## Household Info

Make sure you have the names, birthdates, and contact info for everyone in your household. Social security numbers are also required for everyone who needs coverage.

## Income Info

The application will ask for both your current monthly income and your projected 2017 income. Paystubs and tax documents can be helpful when completing this section of the application.

## Email Address & Account Login Info

You need an email address to apply for coverage online, but we can help you get one. If possible, bring your email *and* Marketplace account login information.

## List of doctors & prescription drugs

Make sure to bring a list of any health providers, clinics, hospitals, or prescription drugs that members of your household need to access.

## Other helpful things

- Current insurance info for anyone in the household
- Tribal ID cards
- Immigration documents
- Patience

The more you are prepared, the easier it will be to enroll in coverage. If you have any questions about items on the checklist, ask an enrollment assisters when scheduling.

**Open Enrollment opens on November 1, 2016 and closes January 31, 2017.**
